Thank you for joining in and representing our Club!

SOME THANK YOU'S

A huge thanks to **Carolyn Harbeck** and **Georgina Webb** for organising and co-ordinating Boardies Day and the Street Appeal. Also, thanks to all members who helped on our collection days.

Thank you to **Mandurah High School, Westpac, North Mandurah Primary & City of Mandurah**, for contributing to our Boardies Day by raising funds for our Club.

Our club raised over \$1,800 from both events.

Thank you to the **Coci Family** for donating concert tickets. These were distributed to deserving members of our Club.

Thank you to **Craig Shales** for our “NO Board Riding” signs.

It is with great sadness that an Honorary Member of our Club, **Bob Wintle** passed away last November. Bob is a Past President of our Club, when it was then known as Peel Surf Life Saving Club. He was always available to give us his knowledge and experience on life saving.

Dear Georgina and Warwick

This is a very belated thanks and goodbye from the O'Neill family. We really were not sure if we would be leaving Mandurah Surf Club as Shaun has only recently got a job in Perth for next year. It is with much sadness that we have had to make the decision to leave Mandurah Surf Club. We came down to the beach last Sunday, 9th November to try and catch up with you but the beach was deserted no one was there! Anyway, Kate and Liam had their first morning at Sorrento Surf Club this morning and Georgina you would have been so proud of Liam. He tried his guts out in everything. He got first in his swim, it wasn't easy he had to battle it out to get it, and second in the boards. Everyone knows that we have come from Mandurah and that you trained him. We would just like to say thanks for all the time and effort you put into the kids. Also thank you to the club and the age managers, thank you also for the 25 year towels they are gorgeous, we had the kids names embroidered on them. I also wrote to Wally Fry the president of the 25 year club and thanked him and I told him a little bit about how much the kids loved being part of Mandurah SLSC. I received a letter back from him saying that they didn't often receive acknowledgement and that they would acknowledge my comments in their newsletter, which was great. Anyway enough raving on from me. Hope everything is going well for you guys.

Take care
x Sharon

Hi Mercedes

I have sent Georgina and Warwick an email thanking them. Can you pass on our thanks to Kirk Bamford, Katherine' age manager and Richard Bailey, Liam's age manager. Also, to you for making us feel so welcome and keeping us informed.

Thanks
Sharon

PS: At Sorrento, we have to buy our caps \$15.00 each and \$14.00 for competitions. I think fees are more expensive too!

CLUB WIND-UP & PRESENTATION DATE

As the end of the season draws a little closer, we are starting to plan our End of Season function. We have a group of members who are putting some ideas together to make this season's wind-up really Rock.....! Did I get the impression there might be a 50's Rock Theme, so think "Grease Lightning" and start planning the wardrobe, although from what I have seen some of you won't have to dig too far!!!! Date still TBC, however, late May is on the cards.

If anyone can help with the organising and planning for this event, please call Georgina on 9581 9178 ASAP.
